## KEY FEATURES AND BENEFITS

### COMPACT AND ERGONOMICALLY DESIGNED

Designed to be held comfortably, the channel knob is replaced by an easy to use navigation button that allows you to quickly scroll through the user channels.

### LARGE 8-DIGIT ALPHA-NUMERIC & ICONIC DISPLAY

The large alphanumeric display allows easy readability of text and number displays such as channel alias and frequency number. Icons such as the battery and signal strength indicators also enable users to determine the radio's operating performance instantly.

### 16 EXCLUSIVE WALKA TALKA CHANNELS\*

Eliminate unnecessary and time consuming CB clutter allowing instant one-to-one or one-to-many communications.

### SCANNING

Allows users to monitor activities on different communication channels so that messages will not be missed.

### NUISANCE CHANNEL DELETE

This feature allows users to temporarily remove unwanted calls in the scan list, enhancing the radio's operational efficiency.

### KEYPAD LOCK

Allows users the flexibility to lock and unlock the keypad to avoid accidentally disturbing of the radio setting.

### BACKLIGHT

Backlight illuminates the display for user convenience.

\* Walka Talk operates on 16 channels licensed by Motorola, exclusively for Walka Talka users.

## ENHANCE YOUR RADIO CAPABILITIES

There is a wide range of accessories available with the Motorola Walka Talka to suit your needs. Adding genuine Motorola headsets, microphones, battery, charger or carrying cases can enhance your operational productivity. Motorola's accessories are built to high quality standards and are specially engineered to ensure maximum performance of your radio, no matter what business you are in.

### BUILT TO MEET MILITARY SPECIFICATIONS

The WALKA TALKA is a commercial quality radio which has been tested to MIL810 (C,D and E) Military Specification Standards including temperature extremes, solar radiation, rain, humidity, salt fog, dust, vibration and shock. These tests were conducted subject to specific military procedures.
